New RIA PRO Features

New RIA PRO Features

We always get lots of great suggestions from our users, and we are working closely with our development team to incorporate as many suggestions as we can.

Turing Point Analytics

Many of our users have requested a more active portfolio trading style which both goes long and short individual securities. We have recently fulfilled that request by striking a deal with Jeffrey Marcus of Turning Point Analytics.&#2013266080;

> "Turning Point Analytics utilizes a time-tested, real-world strategy that optimizes the clients entry and exit points and adds alpha. TPA defines each stock as Trend or Range to identify actionable inflection points. TPA has been serving institutional clients with their trading ideas and strategies."

Get up to 3-emails each week discussing markets, trades, outlook, and tactics.

Plus receive real-time alerts of portfolio changes.&#2013266080;

Why BofA Is Double Downgrading Iamgold

Fri, 07 Aug 2020 20:08:29 +0000

Gold prices have been on a tear in 2020, but **Iamgold Corp** (NYSE: IAG) shares lost 5.75% Friday after the company received a Wall Street double downgrade in the middle of a bull market for gold.

The Iamgold Analyst: Bank of America analyst Michael Jalonen downgraded Iamgold from Buy to Underperform and cut the price target from $6.25 to $4.50.

The Iamgold Thesis: The downgrade comes after Iamgold reported second-quarter adjusted EPS of 4 cents on Wednesday, in-line with Wall Street analyst estimates. Revenue for the quarter was $284.6 million, up 15.4% from a year ago.

Iamgold cut its 2020 gold output guidance from a previous range of between ...
